## PROBABILITY BASICS

Solve the following problems. Write your answer on the line.

Score: \_\_\_\_\_ / 20

Grade 7 | Mathematics | Sheet 1

|                                              |                                         |                                               |                                               |
|----------------------------------------------|-----------------------------------------|-----------------------------------------------|-----------------------------------------------|
| <b>1)</b> 4 fav, 5 total. P(event)?<br>_____ | <b>2)</b> Bag: 5R,3B. P(Red)?<br>_____  | <b>3)</b> 5 fav, 9 total. P(event)?<br>_____  | <b>4)</b> Bag: 4R,5B. P(Red)?<br>_____        |
| <b>5)</b> Bag: 4R,3B. P(Red)?<br>_____       | <b>6)</b> Die: 1-8. P(1)?<br>_____      | <b>7)</b> Bag: 1R,5B. P(Red)?<br>_____        | <b>8)</b> Die: 1-6. P(3)?<br>_____            |
| <b>9)</b> Bag: 4R,3B. P(Red)?<br>_____       | <b>10)</b> Die: 1-12. P(12)?<br>_____   | <b>11)</b> Die: 1-4. P(4)?<br>_____           | <b>12)</b> Bag: 1R,5B. P(Red)?<br>_____       |
